INVITATION TO BID

Project: SR-79 Improvements – Phase 2
Owner: Blount County Water Authority
Engineer: CDG Engineers & Associates, Inc.

Sealed bids will be received, opened, and publicly read by the Owner for the referenced Project. The Owner will receive Bids until 9:00 AM on the 15th day of May, 2018. The bid opening will be held at the offices of Blount County Water Authority, located at 18 Arena Drive, Cleveland, Alabama.

The Project is generally described as follows: approximately 23,800 L.F. of 14” PVC and D.I. water main to be installed along SR-79 together with all related bores and tie-ins. The project also includes a new master metering and control valve site, together with all related SCADA and site work. The project includes an alternate bid which allows the Owner the option of selecting the line size based on the contractor’s bids.

The Owner requires the Project to be substantially completed in 150 calendar days from date of Notice to Proceed and complete and ready for final payment in 30 calendar days after the date of substantial completion.

Bidding Documents for a Unit Price contract may be obtained from the office of CDG Engineers & Associates, 417 Martling Road, Albertville, AL 35951, (256) 891-3458. Paper copies are available upon receipt of a non-refundable fee in the amount of \$190 for one set. PDF electronic copies are available via email at no cost to the bidder or on a CD for \$25.

Bidders will be required to provide Bid security in the form of a Bid Bond or cashier’s check in the amount of a sum no less than five (5) percent of the Bid Price but not more than \$50,000.00.

All bids must be submitted in a sealed envelope bearing on the outside the name of the bidder, bidder’s license number, address and name of the project.

Your Bid will be required to be submitted under a condition of irrevocability for a period of 60 days after submission.

The attention of bidders is called to the provisions of State Law Governing General Contractors, as set forth in Title 34, Chapter 8, Article 1, Code of Alabama of 1975, as amended; and the provisions of said law shall govern bidders insofar as it is applicable. The above-mentioned provisions of the Code make it illegal for the Owner to consider a bid from anyone who is not properly licensed under such code provisions. In addition, bidders must carry the municipal and utility construction classification as listed in the latest edition of the Roster of the State Licensing Board for General Contractors, Montgomery, Alabama. The Owner, therefore will not consider any bid unless the bidder produces evidence that he is so licensed. Neither will the Owner enter into a Contract with a foreign corporation which is not qualified under State Law to do business in the State of Alabama.

The attention of nonresident bidders is called to the provisions of Alabama Law, Title 39, Chapter 3, Code of Alabama 1975, as amended, relating to preference to be given to resident contractors in Alabama over nonresident contractors in the award of contracts in the same manner and to the same extent as provided by the laws of the state of domicile of the nonresident contractor, and to the requirements that the bid documents tendered by any nonresident contractor must be accompanied by “a written opinion of an attorney-at-law licensed to practice law in such nonresident contractor’s state of domicile as to the preference, in any or none, granted by the law of that state to its own business entities who’s principal places of business are in that state in the letting of any or all public contracts”.

Each Bidder, and each Subcontractor, is required to complete and submit Document 00450 – Affidavit of Immigration Compliance along with their E-Verify Program Memorandum of Understanding at the time of the Bid. No Contract will be awarded to any Bidder who does not submit the required Immigration Compliance documents.

Contractor will be required to provide two (2) Owner’s Protective Liability Policies. Named Insured shall be as follows:

- 1. Owner**
- 2. CDG Engineers & Associates, Inc.**

See Section 00700 - General Conditions for full details.

The Owner reserves the right to accept or reject any or all Bids.

Blount County Water Authority
